

“PICK A MONTH” MORTGAGE INITIATIVE

The Parish Council is inviting parishioners to assume the mortgage payment for a month (\$1500) through this new initiative.

In order to make it easier, we suggest the five following options:

1. Pick a month in 2016 and pay the full amount (\$1500) this year;
2. Pick a month in 2017 and pay two yearly installments of \$750 each beginning this year;
3. Pick a month in 2018 and pay three installments of \$500 each beginning this year;
4. Pick a month in 2019 and pay four installments of \$375 each beginning this year;
5. Pick a month in 2020 and pay five installments of \$300 each beginning this year

Each parishioner that assumes the cost of a month will be recognized with a leaf on a giving tree (similar to the one below). Other options include pairing up with another parishioner or setting your own schedule of payments.
